

The Framework

The Africa Continental End TB Accountability Framework for Action

COMMITMENTS

The African Union 2030 agenda
African Common Position on TB
Catalytic Framework to End AIDS, TB and Eliminate Malaria by 2030.
2012 Roadmap on Shared Responsibility and Global Solidarity for ATM Response
Common Africa Position on the Post-2015 Development Agenda
The Africa Health Strategy
The Africa Agenda 2063
Regional Framework for implementing the End TB Strategy in African Region
African Ministerial Call for Action to Strengthening Laboratories
Moscow Declaration on TB

Major Actions

Rapid molecular tests adopted as first line of diagnosis for new and previously treated cases of TB;
Scaling up TB diagnosis and treatment services for all forms of TB towards UHC;
Achieving universal laboratory confirmation of all pulmonary TB cases; Declaring DR-TB national public health threat;
Increasing TB treatment success rate to 90% for all forms of TB;
Scaling up intergrated TB/ HIV interventions to universal coverage;
Mobilising more resources for TB control;
Financing first and second line anti-TB medicines and laboratory reagents and commodities from domestic resources;
Implementing innovative targeted strategies to find missing TB cases;
Improving TB recording and reporting: including surveillance systems, vital registration systems, and establishing electronic recording and reporting;
Decentralizing and strengthening TB diagnostic laboratory networks: including attaining ISO certification of National TB reference laboratories (NTRLs);
Measuring baseline and follow up disease burden and impact of interventions;
Promoting and supporting operational and formative research.

Review

Conducting universal health coverage (UHC) surveys; independent programme reviews; disease burden and impact surveys; drug resistance surveys; and TB Patient cost surveys.

Monitoring and Reporting

AUC Reports to ministers of health; AUC Reports to HoS & G; Annual national TB reports; Annual WHO global TB reports; Annual AU End TB Score Card; WHO reports to governing bodies.
