**PUBLIC HEALTH ACTION (S)**

- The COVID-19 vaccination programme is ongoing throughout the country.
- Public Health measures continue to be enforced as the situation is closely monitored.
- The government and development partners continue to prioritize the continuation of essential health services.

**CHALLENGES**

Slow vaccine uptake among members of the public, and circulation of anti-vaccination information.

**RECOMMENDATIONS**

Encourage the public to get vaccinated and strengthen community health awareness to counteract anti-vaccination information in circulation.
