PUBLIC HEALTH ACTION (S)

- The COVID-19 vaccination programme is ongoing throughout the country.
- > The public is encouraged to continue adhering to COVID-19 preventative measures as the situation is being observed.
- > The government and development partners continue to prioritize the continuation of essential health services.

CHALLENGES

- Slow vaccine uptake among members of the public, and circulation of anti-vaccination information.
- Lack of transport to and from head office for sitrep signature.

RECOMMENDATIONS

- Encourage the public to get vaccinated and strengthen community health awareness to counteract anti-vaccination information in circulation.
- MoHSS must provide transport that will be available for sitrep team everyday or use digital signature.
