INFORMATION BULLETIN

Welcome to Botswana: Home to the Okavango Delta.

Dear Participant,

The Government of the Republic of Botswana welcomes you to Gaborone for the Seventy-third session of the WHO Regional Committee for Africa (RC73), held from 28 August to 1 September 2023 at the Gaborone International Conference Centre (GICC).

Please, find below some useful general information on travel to the city of Gaborone in Botswana and the logistical arrangements in place for the smooth conduct of the RC73 session. Click [here](#) to consult the official RC73 webpage.

VISAS

All citizens of Commonwealth member countries do not require a visa to enter Botswana, except those from Bangladesh, Cameroon, Ghana, India, Nigeria, Pakistan and Sri Lanka. Foreign nationals whose countries have signed a Visa Abolition Agreement with Botswana are also not required to apply for a visa. The list of countries that require a visa to enter Botswana is available at <https://evisa.gov.bw>.

Passports must be valid for at least six months from the date of entry into Botswana. The passport booklet must also contain at least two (2) blank pages before entry into Botswana.

A visa may be obtained online for participants from countries where Botswana does not have consular representation (<https://evisa.gov.bw>). Visa fees have been waived for all RC73 accredited delegates. **It is recommended that participants apply for visas prior to departure as this may be a requirement for travel by certain airlines.** While applying online for the visa, you are **advised to select “Official Visa” under the Visa Category.**

Entry visas will be issued upon arrival at ports of entry and they will be valid for a maximum of 14 days. A support letter has been availed to all participants to facilitate the issuance of the visa on arrival. Special arrangements will be made at the Sir Seretse Khama International Airport for courtesy visas to be issued to delegates. For immigration formalities at the airport, photographs will be taken of persons who are entering the country for the first time.

Holders of the United Nations Laissez-Passer (UNLP) are exempt from visa requirements to enter Botswana.

For more details, visit the website: <https://evisa.gov.bw>.

AIRPORT RECEPTION AND TRANSPORT

On arrival, the necessary assistance will be provided by members of the Organizing Committee. To facilitate the process, make sure that you **send your flight details to the RC73 Secretariat at your earliest convenience, but no later than 7 August 2023**, via the online registration platform (<http://reg.unog.ch/e/RC73>). The same applies to information for delegates arriving by land.

The transfer of official participants from the Sir Seretse Khama International Airport to their recommended hotels in Gaborone is facilitated by the Organizing Committee.

The Organizing Committee will also arrange for the transfer of participants from the recommended hotels to the meeting venue every morning and back to the hotels at the end of the daily sessions. Participants not residing in the recommended hotels will be responsible for their own transportation.

At the airport, you are requested to keep your luggage tags to present them at the exit to the customs officials.

Local transport services are available and the cab services below have been cleared by UNDSS for use. Generally determined by the distance and duration of the trip, the fare is between BWP50 and BWP200 within Gaborone.
